

# HELLO

why do we say that?

Hello... hello...

because devils can't stand circles  
so when you say hello to someone  
you lure out the devils  
by calling the name of their home  
and then you nail 'em  
with a circle

Hell ..... ○

Hell ..... ○

Hell ..... ○!

It's scary eh?

Once Andrea Phipps  
was playing the see-how-long-  
you-can-leave-off-the-○ game  
and she choked on a bee  
so she never could say the ○  
and the devils took away her brain  
that's why she flunked grade two

Poor kid  
all she had to do was make the O  
with her hand  
and she would have been saved

HELL.....

So

why can't devils stand circles?

'cause  
a long time ago  
the angels got halos  
on their heads  
to keep their brains from growing  
bigger than God's  
but some angels  
are letting their brains grow  
anyway  
and the halos  
cut into their brains  
and made them crabby  
and that's  
a devil

O.K. Masturbate  
What's it mean?

C'mon Lillian  
What's it mean?

Just take a guess

No no no no no no  
no no no no no no  
NO!

Boy are you dumb!  
It means this...

touch your thing

go on  
won't bite ya

O.K. now rub up and down...  
O.K. Stop

Now I'm going to do it  
no I'm not

Because you know why  
because in the olden days  
in the olden days, Lillian  
when there were dragons  
and flying monsters  
and horrible goblins.  
That thing you just did  
That was the way  
you called up those things  
the magic way  
Sometimes witches would even stick brooms  
covered with magic soup  
up their things

    Yep... that's how...

why even today  
you can call them up  
but you only get their ghosts  
because they all died  
after God was invented   Sooo  
it's even worse now  
because you can't see them  
you can't even see them

That's why they changed  
the name to masturbates

because they couldn't bear  
the thought of those slimy spectres  
those gigantic hags  
those evil evil forces  
hangin' around

Monsterbaiting is what it  
really is  
monsterbaiting... and you  
just did it

Shhhh...  
d'you hear something scratching?

BLAGGGHH!!!

Angels don't have fun  
'cause they're always praying  
and crows have lots of fun  
but they get shot at

they get to eat road kill  
and fly south  
for the winter

one angel  
collected crow feathers  
and made herself  
a secret wing  
all black  
and she'd fly down  
and play with the crows  
till God  
caught her by the toe  
held her upside down  
and hung her off a tree

the crows saw  
she had no bitsy  
and pecked out her eyes

Crows got a terror of angels  
sometimes that's why  
they go south  
for the winter

'cause all that snow  
reminds them of heaven  
and how black they are  
and how mean  
God is

God's not always mean  
He saves the sparrows  
but crows are too big and noisy  
God only likes lambs and kittens and donkeys  
- anything weak or stupid -  
'cause He's not too bright Hisself  
otherwise why would He hang out  
with a bunch of angels  
in a land where  
there's nothing but air

Lillian told me  
my soul was in her pencil case

She captured it  
when I was monster baiting

She says if i don't be good  
she'll cut off my dink  
and fill it with ink  
and it will write swears  
by itself on the walls of our house  
and all the bad things  
it will write too and then  
my dink will go crazy  
and hunt me down  
and kill me  
by peeing me with ink  
till I drown

that's why  
I'm taking  
swimming lessons
